IRS PROBLEM SOLVING DAY

Join the Suffolk County Bar Association Taxation Law Committee as we host Chris Morell, the Long Island Taxpayer Advocate and Case Advocates from the Long Island Taxpayer Advocate Service for an "IRS Problem Solving Day." This is an opportunity for local tax practitioners to meet the local Taxpayer Advocate as well as to solve their client's IRS tax problems, in-person. We currently have three slots available every half-hour with a one hour lunch break between 12:00 and 1:00 PM.
