#### **ABOUT NATIONAL CONFERENCE OF CPA PRACTITIONERS (NCCPAP)**

NCCPAP, established in 1979, is a professional organization of CPAs that both advocates on issues that are of importance to its members in Public Practice throughout the United States and provides members a forum to exchange ideas and information on managing and running a successful CPA practice. NCCPAP members represent over one million businesses and individual clients. NCCPAP monitors and influences tax administration, tax policy and accounting standards by meeting with Internal Revenue Service representatives, state taxing authorities, elected officials and other accounting professionals.
